Inclement Weather Make-up Procedure

Section 22.1-98 the Code of Virginia requires that school divisions, in the event of severe weather conditions or other emergency situations, make up the first five days plus one day for each two days missed in excess of the first five. Further, “when severe weather conditions or other emergency situations have resulted in the closing of any school in a school division and such school has been unable to meet the 180 teaching day requirement, the school division may make up the missed teaching days by providing its students with instructional hours equivalent to such missed teaching days to meet the minimum 990 teaching hour requirement.” Due to the calendar and daily schedule at each level exceeding the annual required 990 instructional hours, no adjustments to the schedule will be necessary barring unforeseen weather conditions.
