

LYNCHBURG CITY SCHOOLS

February 16, 2018

Dear Parents/Guardians:

We are now accepting applications for both Dearington and TC Miller Elementary Schools for Innovation for the **2018-2019** school year. Students may apply to one or both schools. Students entering kindergarten for the first time (must be five years old by 9/30/18) and students currently enrolled in grades K-4th are eligible to apply.

Each of these two elementary schools for innovation provide students with a variety of innovative and challenging instructional experiences which employ the latest trends in educational technology and instructional methodologies. Both schools offer instructional activities in science, technology, engineering, and math. Dearington Elementary also offers activities in Spanish, leadership, and entrepreneurship. TC Miller Elementary also offers activities in dance, theatre, and visual arts and STEM. Informational events are offered at each of the schools to learn more about their offerings:

**Make sure to check the box to indicate the school or schools to which you are applying - you may apply to one school or both.** Each application will be reviewed by a selection committee. Student academic, attendance, and discipline records will be a part of the review process along with the interest statement.

For an applicant who has an Individualized Education Plan (IEP), we will review the IEP to determine whether we can implement the IEP at TCMSFI or DESI. Some special education services are so unique that they are available only through division-wide programs at specific schools.
