#### 30 Day Retail Pharmacy Network

Our network includes more than 69,000 pharmacies across the country. That means you have easy access to your prescriptions wherever you are – at work, home or even on vacation. Using pharmacies in the network will help you get the most from your drug plan. When picking up your prescription at the pharmacy, be sure to show your Anthem Medical ID card.

#### RX Maintenance90 network Pharmacies

RX Maintenance90 network\*\* is a unique network that offers more ways for you to get the maintenance medications you need. Maintenance medications are drugs taken on an ongoing basis for conditions such as asthma, diabetes or high cholesterol. Through RX Maintenance90 network, you can choose to get a 90-day supply of medications from a participating retail pharmacy or the mail order pharmacy.

\*\*Only certain pharmacies in our network participate in the RX Maintenance90 network program. Be sure to check with your local pharmacy to verify their participation status prior to placing your 90 day retail prescription order.

To make sure your pharmacy's in our network, visit [anthem.com](http://anthem.com) and select Find a Doctor which will take you to the list of providers, pharmacies and hospitals who participate in our network.
