Partners in Education is a joint venture between the Lynchburg City Schools and the Lynchburg Regional Business Alliance.

Officially started on September 3, 1990, the program is designed to create linkages between the school system and area businesses, organizations, and institutions.

GOALS OF PARTNERS IN EDUCATION

- To enhance the educational experience of all students through greater exposure to the various resources which exist in business, institutions, and organizations serving the community.
- To involve businesses in school programs and decisions which will directly and indirectly benefit the business.
- To enhance communication between schools and businesses so that both have a more realistic view of the other, and a greater sense of common purpose.
- To promote connections between education and the business community.
- To improve the quality of life in Lynchburg for all its citizens.

A TRADITION OF EXCELLENCE FOR ALL
