**MEDIA
PRESENT:**

Jessie Pounds, *The News & Advance*

The Lynchburg City School Board met for a special meeting at 5:32 p.m. Mr. White asked those in attendance to rise and recite the *Pledge of Allegiance*.

Mr. Jim McCalla, representative for Moseley Architects, provided information to the school board about specifications for the construction/renovation project of Heritage High School. He stated that the spaces within the school will be based on student capacity; at this point, an enrollment of 1,500 students plus the Central Virginia Governor's School for Science and Technology.

Mr. McCalla presented scenarios of each existing site option and then options with a new building on a new site. If the school board decides to renovate any portion of the existing building, those renovations will be significant. Further, there are no cost estimates for the acquisition of new property for any of the scenarios presented.

At this time, the architects will be using 1,500 as the student enrollment projection for the school. The next deadline for the project schedule will be determined by the school board. There is a project schedule, and the end result is August 2018 for the opening of a new school.

The meeting adjourned at 7:34 p.m.

Charles B. White, Chairman

Wendie L. Sullivan, Clerk
