Lost & Found

Please put your child's name on their jackets, sweatshirts, water bottles and other items that may be misplaced throughout the school year. All items not claimed by the last day of school will be donated to a local charity. Our lost and found is located in our cafeteria.

Message from the Principal

Welcome to a new and exciting school year! As we embark on this journey together, we want to emphasize the vital role you play in your child's education. The partnership between home and school is essential for fostering a nurturing and effective learning environment.

Your involvement not only enriches your child's academic experience but also strengthens their confidence and enthusiasm for learning. When we work together—sharing insights, supporting goals, and celebrating achievements—we create a united front that helps your child thrive.

We believe that open communication and collaboration are the keys to unlocking your child's full potential. Whether it's through volunteering, attending school events, or simply staying engaged with your child's progress, your participation makes a significant difference.

Thank you for being an integral part of our school community. We look forward to working together to make this year a wonderful and successful one for your child!

ATTENDANCE

Attendance

Lynchburg City Schools believes that school attendance is directly related to academic achievement and to the development of good habits that are important in the work world. Optimum student attendance is a cooperative effort, and Lynchburg City Schools expects parents and students to take active roles in accepting and complying with that responsibility.

Please refer to the Lynchburg City School Board Policy [JED-RZ - Student Absences/Excuses/Dismissals](#).

Tardiness or Early Dismissal

Students who arrive after homeroom begins will be marked as tardy. Students who are tardy miss valuable instructional time.

In all cases of tardiness to school or early dismissals, students must present that day a written note from a parent/guardian to the school stating the reason for the tardiness or early dismissal. Excused tardies/early dismissals are granted only for the following reasons:

- Personal illness. Written excuses should contain a description of the illness.
- Personal required court appearance with documentation from the court.
- Death or serious illness in the immediate family. The principal will also consider each individual case and any extenuating circumstances.
- Medical condition or appointment verified by a note from a medical professional or dentist.
- Religious holidays will be excused upon presentation of written verification from the student's parent/guardian. No student will be deprived of any award, eligibility, or opportunity to compete for any award, or the right to take an alternate test or examination the student missed by reason of such verified absence.

Truancy

When a student reaches five (5) unexcused absences during the school year he or she is considered truant. Truancy procedures can be found on the Lynchburg City Schools website at www.lcsedu.net/departments/student-services/attendance-truancy/truancy.

BUSES, CAR RIDERS & WALKERS

It is essential that we know how students are expected to travel to their homes at the end of the day. Whether your child is a car rider, walker, or bus rider, we need to have this information on file. In the event that it becomes necessary for your child to change his/her mode of transportation, the parent is required to notify the school in writing or by phone. We ask that we be notified of all transportation changes/dismissal procedures for your student no later than 2 p.m. each day.

Buses

Buses unload and load in the bus loop from 7:55 a.m. to 8:10 a.m. and 3:10 p.m. to 3:25 p.m. No other vehicles are permitted in the bus loop at this time.

Students are required to conduct themselves on school buses in a manner consistent with established standards for classroom behavior. The school principal may suspend or revoke the riding privileges of students and/or take other disciplinary actions for students who constitute or cause disciplinary problems on the bus. Parents (or guardians) of children whose behavior and misconduct on school buses violates the Student Code of Conduct or otherwise endangers the health, safety and welfare of other riders shall be notified that their child/children face the loss of school bus riding privileges and/or other disciplinary actions. If a student's riding privileges are suspended or revoked, the student's parents are responsible for seeing that the student gets to and from school safely. The bus driver and/or bus assistant is responsible for maintaining the orderly behavior of students on school buses and shall report misconduct to the student's principal and provide a copy of the report to the transportation office.

Families can use the [MyRide K-12 app](#) and website to see their child's bus routes, get alerts about delays and changes, and track their child's bus location in real-time. If you have trouble with the app or have questions about your child's bus route, please contact Transportation at (434) 515-5100.

Car Riders

Parents who bring students to and from school must follow the directions below. Drop-off begins at 7:55 a.m. and pick-up begins at 3:10 p.m.

Route 1: From Indian Hill Road

For the safety of buses coming/going and high volume of traffic, **do not turn onto Morningside Drive**. Turn onto Keystone Rd., left on Eastwood Ln., then left on Morningside Dr. and line up behind the last vehicle. **Please do not cut in line, even if there is a temporary gap as this disturbs the student line-up order inside the school.**

Route 2: From Boonsboro Road

Turn onto Clayton Ave., then right on Morningside Dr., and pull behind the last car in the line.

Exiting the School Parking Lot

For safety reasons, all cars must turn **right** out of the school parking lot onto Morningside Drive.

Walkers

Please wait outside Door 10 and our staff will bring your child to you. Please have your ID. For safety reasons, dogs are not permitted on school property during school hours. **Do not park on the side streets and walk over.** This creates a safety hazard for students and staff.

CONDUCT & DISCIPLINE

We are dedicated to ensuring a safe and secure learning environment for all of our students. Our rules for good citizenship are meant to preserve and protect each student's right to learn. We ask that our students practice good citizenship by:

1. Accepting and respecting the leadership of teachers, the administration, and other staff members.
2. Taking care of school property and equipment.
3. Using appropriate language and a respectful tone of voice.
4. Moving through the building quietly and respectfully.
5. Showing respect for the rights and property of other people.
6. Completing all assigned work on time.
7. Being attentive in class and becoming involved in all class activities.
8. Putting forth effective effort.

Each grade level will send a letter to parents explaining their class rules and procedures as well as appropriate rewards and consequences.

Please refer to the Lynchburg City School Board Policy [JFC - Student Conduct](#).

The Lynchburg City School Board establishes expectations for student conduct so that public education is conducted in an atmosphere free of disruption and threat to persons or property and supportive of individual rights.

In addition to the types of conduct prohibited below, the Superintendent issues Standards of Student Conduct and a list of possible actions for violations of those Standards.

This Policy and the Standards of Student Conduct apply to all Lynchburg City school students. They are enforced when the student's conduct occurs when the student is:

- On school property.
- Traveling to school or from school.
- Traveling to, at, and from bus stops.
- In School Board vehicles.
- In attendance at any school-sponsored activity.
- Off school property if the conduct disrupts and/or threatens the learning environment.

Be sure to read and share this information with your student.

Bullying

A student, either individually or as a part of a group, shall not bully others either in person or by the use of any communication technology including computer systems, telephones, pagers, or instant messaging systems. Prohibited conduct includes, but is not limited to, physical, verbal, or written intimidation, taunting, name-calling, and insults and any combination of prohibited activities.

"Bullying" means any aggressive and unwanted behavior that is intended to harm, intimidate, or humiliate the victim; involves a real or perceived power imbalance between the aggressor or aggressors and victim; and is repeated over time or causes severe emotional trauma. "Bullying" includes cyber bullying. "Bullying" does not include ordinary teasing, horseplay, argument or peer conflict.

The principal or their designee shall notify the school board disciplinary committee and the parent of any student involved in an alleged incident of bullying of the status of any investigation within 24 hours of the allegation of bullying. Such notifications shall be communicated to the school board disciplinary committee via the superintendent or designee by the next meeting of that committee.

Cell Phones/Personal Electronic Communication Devices

Students enrolled in elementary schools may have personal electronic communication devices in their possession. However, the devices must be turned off (not just silenced) and remain out of sight (e.g. in a bookbag or locker) throughout the regular school day.

Please refer to the Lynchburg City School Board Policy [JFCZ - Use of Personal Electronic Devices](#).

In-School Suspension (ISS)/Alternative Instructional Assignment (AIA)

Students who do not comply with division/school/classroom rules and procedures can be assigned by the administrative team to Alternative Instructional Assignment (AIA), also referred to as In-School Suspension (ISS). While in ISS, under the direction of the ISS supervisor, students are expected to complete their class assignments and demonstrate appropriate school/classroom behavior.

Suspension (Out-of-School)

Students who do not comply with division/school/classroom rules and procedures are subject to out-of-school suspensions. A pupil may be suspended for not more than ten (10) school days by either the school principal, any assistant principal, or, in their absence, the principal's designee. The principal, assistant principal, or principal's designee may suspend the pupil after giving the pupil oral or written notice of the charges against him and, if he denies them, an explanation of the facts as known to school personnel and an opportunity to present his version of what occurred. In the case of any pupil whose presence poses a continuing danger to persons or property, or whose presence is an ongoing threat of disruption, the pupil may be removed from school immediately and the notice, explanation of facts, and opportunity to present his version shall be given as soon as is practical thereafter. Please refer to the Lynchburg City School Board Policy [JGD/JGE - Student Suspension/Expulsion](#).

- Certain classes or activities (e.g., Physical Education, laboratory courses, or technical programs) may require specific types of footwear, such as closed-toe, athletic shoes, or boots for safety reasons. In such instances, the teacher shall communicate these requirements to students and families as soon as practicable.

Clothing should be appropriate to the time, place, weather, and instructional activity and must conform to standards of health and safety.

Please refer to the Lynchburg City School Board Policy [JFCY - Dress and Appearance](#) and the [LCS Code of Conduct](#).

FIELD TRIPS

Field trips are a valuable part of our instructional program, offering unique learning experiences. To participate, all students must have written permission from a parent or guardian. Please note that trips may be canceled if overall funds are insufficient or at the discretion of the administrative team. Students are required to ride school-provided transportation, and

private car transport is not permitted. All school rules apply on field trips, and students are expected to represent our school positively.

Parents or guardians interested in chaperoning a field trip should contact their child's teacher. All chaperones must complete an approved volunteer application and background check at least two weeks prior to the trip and agree to abide by all school rules. For the safety and focus of our students, siblings or other non-enrolled children are not permitted on field trips. Please note that scheduled arrival and departure times may change due to unforeseen circumstances.

FORMS OF COMMUNICATION

Building a strong partnership and frequent communication between home and school is critical to the success of your child. Please do not hesitate to reach out to your child's teacher with any questions or concerns. We are happy to schedule a conference at any mutually agreeable time throughout the year. Please understand that teachers have a responsibility to the entire class throughout the school day and will not be able to meet with you without prior arrangements.

Class & School Dojo

This is our primary means of communication. With this phone or computer app, you can message your child's teacher or school administrators privately. You will also receive messages from your child's teacher(s), our PTO, and school administration. Please know that this is a **free** app and you should never be asked to pay a fee to join. Reach out to the school if you need assistance getting on Class and School Dojo.

Infinite Campus

As part of our continued effort to provide parents and guardians with information about their student's progress, Lynchburg City Schools utilizes an online parent portal called Infinite Campus. Infinite Campus is a single source for parents to track student data including contact information, schedules, attendance, grades, and notifications. Please contact the school to get your activation key.

Weekly Newsletters

Weekly *Husky Howler* newsletters are sent out by the parent-teacher organization (PTO). These newsletters include updates to the school calendar and important reminders and notices for our students and their families.

School Messenger

We use an automated service to communicate with families via calls, texts and emails. These notifications are used to announce school events, changes to the school calendar, and school closings and delays due to inclement weather. We also will use this service in the event of a school-wide emergency. It is essential that we have a current phone number for all of our families. In the event that your phone number changes, please notify the office so that we can update our student records or go into the parent portal of Infinite Campus to update your contact information.

Social Media

HOMEWORK, GRADES & REPORT CARDS

The positive effects of homework include understanding and developing effective study and time management skills, along with a sense of independence and responsibility; and fostering the concept that learning can occur anywhere, not just in school. Homework also provides an avenue for parental involvement by affording parents an opportunity to see what their children are learning and to encourage their children in their studies. Teachers will assign homework in accordance with Lynchburg City School Board Policy [IKB - Homework](#).

Report cards will be sent home at the end of each nine-week grading period for students in grades K-5. Students, in grades 3-5, who meet the established criteria, will be named to the Honor Roll.

MEALS & NUTRITION

Cafeteria

The entire school environment, including the cafeteria, lounges, and classrooms, will be aligned with healthy school goals. When packing food from home, parents are encouraged to provide healthy lunches and snacks and to refrain from including beverages and foods that do not meet the nutrition standards of the School Nutrition Program. Students are discouraged from bringing carbonated drinks (soda), chips, candy, and fast food lunches to school. Please refer to the Lynchburg City School Board Policy [JHCF - Student Wellness](#).

Breakfast

The Department of School Nutrition will provide breakfast for all students in grades K-5 starting at 7:55 a.m. each day Monday through Friday. Breakfast is served via Grab and Go lines and students are able to eat in the classroom.

Lunch

All students may receive a school lunch at no charge or they may bring a lunch from home. Students and visitors to our school cafeteria are discouraged from bringing carbonated sodas, chips, candy, and/or fast food lunches to school. Parents may put money in their student's food account in the cafeteria at any time for à la carte items.

For everyone's safety, students are never allowed to share food and drinks with other students.

Lunch with Students

Parents and guardians are welcome to join their child for lunch starting after Labor Day. If other family members are coming for lunch, we must have prior permission from the parent or guardian. For example, Grandma wants to have lunch with their grandchild. If she is not the custodial parent, we must have permission from parent/guardian.

Please check in with the main office upon entering the building and make sure you have your driver's license or alternative, valid picture ID with you. We cannot allow visitors without an ID.

In the cafeteria, there is a visitor table where you and your student can enjoy lunch. Additional students, even if they are extended family members, are not permitted to sit at the visitor table.

Directly following lunch with your student, please check out at the main office. Parents/guardians are not able to attend recess or walk throughout the building to the classroom or other location with their child.

There are no transaction fees to place money on your child's meal account. Questions? Please call the School Nutrition Office, at (434) 515-5061.

Snacks

With advance permission from your student's teacher, a parent/guardian may provide a snack for the class at a time and place designated by the teacher. It is important that the snack be approved in advance in order to ensure that health issues such as food allergies are considered. Also, snacks must comply with the standards established by the Lynchburg City School Board Policy [JHCF- Student Wellness](#).

To ensure the safety of our students, food brought into schools for events must be in original packaging, and it is highly recommended that fresh fruit and vegetables be used for events.

Water Bottles

Students are encouraged to bring a water bottle to school each day with a sealed lid. Water bottle filling stations are available throughout the school. Students are only allowed to have water in their water bottle. No other beverage is permitted.

Nut-Free Cafeteria Table

In an effort to protect our students with nut allergies, we have a designated nut-free table in our cafeteria. Students who are allergic to nuts should sit at this table to avoid contact with nuts and nut products. Be sure that this information is listed on your child's emergency medical form.

Nut-Free Classrooms

In an effort to protect our students with nut allergies, all classrooms are "nut-free zones." Students are discouraged from bringing food items containing nuts or nut products for snacks.

NURSE & HEALTH INFORMATION

Clinic

Our school clinic is staffed by a full-time Licensed Practical Nurse (LPN). It is essential that we have your current phone number and other emergency contacts so that the school nurse can contact you in the event your child is sick or injured.

Medicine

Students are not permitted to bring medicine (over the counter or prescription) of any kind to school. This includes cough drops or throat lozenges. If your student is prescribed medicine by his/her doctor that needs to be administered during the school day, the parent and doctor must complete a [Physician/Parent Authorization to Administer Medication Form](#). The medicine and the completed forms must be brought to the school by the parent and be given directly to our school nurse. Students may not carry medicine to and from school for any reason.

Emergency Medical Form

In order to complete registration for each school year, parents/guardians are required to complete/update an online emergency medical form for each child. Current addresses and phone numbers are required as well as emergency contact information. All known allergies should be listed on the form. Any medical conditions should be noted as well. If your personal information changes, please contact the school office so that we can update your student's records.

Students diagnosed with chronic illnesses—such as diabetes, seizures, asthma, or allergies—need to have an emergency action plan on file. A new plan is required each school year. Forms may be found on the [LCS website](#), or obtained from the school nurse to be completed and signed by a professional healthcare provider and the parent/guardian.

Emergency Contact Information

It is the responsibility of all parents and guardians to provide emergency contact information for each student. This information must be part of the emergency medical form. This information must include the name of the person, the person's relationship to the student, and a current phone number for the contact person. Please be sure that your emergency contacts know that you have listed them on your student's form.

PARENT TEACHER ORGANIZATION (PTO)

Bedford Hills has an active and supportive parent-teacher organization (PTO). There is no fee to be part of the PTO and all parents/guardians of BHES students are automatically members of the PTO. We are committed to promoting the welfare of our school's students, teachers and families. It is an exciting and worthwhile venture! Join us in our mission to support and encourage this vibrant place of learning.

We would love to see every parent involved in some way, and we encourage you to contact the PTO (bedfordhillshuskies@gmail.com) to find out how your contributions of time and talent can help make BHES an even better place for your child.

PTO Meetings

Meetings are held virtually on the first Monday of the month at 7p.m. (if school is canceled on the first Monday of the month, the meeting is automatically scheduled for the 2nd Monday). The link to the meeting is sent out in the weekly Husky Howler newsletter. Anyone is welcome to attend and we hope to see you there!

PARTIES & CELEBRATIONS

School and classroom parties/celebrations are planned which support our instructional program and our school goals/objectives. All such events must comply with Lynchburg City School Board Policies and Regulations. Teachers will plan any class celebrations in collaboration with the room parent. For the safety of our students, **all** food items must be requested by the teacher, store bought, in a sealed container with a label stating the ingredients. Due to safety concerns, we cannot accept any homemade items. Thank you for understanding our responsibility to providing a safe experience for all of our students.

Birthdays

Students are discouraged from bringing and distributing birthday party invitations at school. Classroom teachers are encouraged to recognize student birthdays using a birthday board or classroom display. Individual birthday parties or celebrations are not permitted at school.

PERSONAL PROPERTY

All personal belongings that are brought to school (such as coats, hats, sweaters, etc.) should be labeled with the student's name. Students are not permitted to bring personal, electronic devices such as hand-held games, watches or trading cards, toys, etc. to school.

Students are discouraged from bringing extra money to school. They should be advised to keep their money with them at all times. Money should not be left in desks, coats, or lunch boxes. The school is not responsible for lost or stolen money. However, every effort will be made to find and return lost or stolen money to the appropriate person.

SAFETY & DRILLS

Fire Drills

Each school holds a fire drill within the first 10 days of the school session, and one fire drill per month while school is in session for the remainder of the term. No fire drills are conducted during periods of mandatory testing required by the Board of Education.

The following procedures will be followed during a drill:

1. The signal for a fire drill is one continuous blast of the buzzer alarm system.
2. When the signal sounds, all students, staff members, and visitors are required to evacuate the building as quickly and quietly as possible using the nearest exit.
3. Students are to use the proper exits and remain with staff members in designated outside areas until the drill's conclusion.
4. While students are outside the building, there should be no talking or noise so that instructions may be given and heard in the event of an actual emergency.

Safety Drills

A procedure has been established to ensure student/staff safety in the event an unauthorized person enters the school or an unauthorized activity is occurring on the school grounds. This safety drill procedure is practiced during the year. During the school day, all entrances remain locked.

Each school has a lock-down drill at least once during the first 20 school days of school with at least one additional drill being conducted after the first 60 days of the school session. Lock-down plans and drills are in compliance with the Statewide Fire Prevention Code, Va. Code §27-94 et seq.

Severe Weather Drills

In the event of severe weather with strong winds, a plan has been developed to ensure everyone's safety. Staff and students are informed of the procedure each year.

SCHOOL CLOSINGS

In the event that Lynchburg City Schools cannot operate on a normal schedule due to weather related or other emergency conditions, parents, students, and community members will be given school-closing information through the following information sources:

- LCS Campus Messenger: a recorded telephone call and corresponding email will be sent to all parents/guardians based on contact preferences in Infinite Campus
- Online: LCS website and social media
- Television announcements

The form is available at www.lcsedu.net/parents/forms.

VISITORS & VOLUNTEERS

Anyone visiting the school must report to the office before going to see a student or staff member. Visitors and volunteers are asked to show photo identification and wear identification tags, which will be provided in the main office. This is required when volunteers are in school buildings for visiting or volunteering at the school for events. Classroom observations or tours should be scheduled through the building principal.
