AP World History Review book. It would be a good Idea to see if you can get one over the summer to be ready early. You can purchase them on line, from local retailers or from a student who has previously taken this course. (Princeton, Kaplan, and Barrons are the most popular) I like the Kaplan book the best. I would like every student to have a notebook already created for this class. It should be a 1.5" to 2" binder that includes 8 dividers
