All supplies should be labeled with your student's first and last name.

School Supply Lists: www.lcsedu.net/schools/pes/about/supply-lists

Lost & Found

The Lost and Found area is located on the stage. Personal belongings such as book bags, coats, jackets, sweaters, hats, and gloves are placed in Lost and Found. Be sure to label your child's belongings with his/her first and last name. The school is not responsible for lost, missing, or stolen items.

ATTENDANCE

Attendance

Lynchburg City Schools believes that school attendance is directly related to academic achievement and to the development of good habits that are important in the work world. Optimum student attendance is a cooperative effort, and Lynchburg City Schools expects parents and students to take active roles in accepting and complying with that responsibility.

Please refer to the Lynchburg City School Board Policy [JED-RZ - Student Absences/Excuses/Dismissals](#).

Tardiness or Early Dismissal

Students who arrive after homeroom begins will be marked as tardy. Students who are tardy miss valuable instructional time.

In all cases of tardiness to school or early dismissals, students must present that day a written note from a parent/guardian to the school stating the reason for the tardiness or early dismissal. Excused tardies/early dismissals are granted only for the following reasons:

- Personal illness. Written excuses should contain a description of the illness.
- Personal required court appearance with documentation from the court.
- Death or serious illness in the immediate family. The principal will also consider each individual case and any extenuating circumstances.
- Medical condition or appointment verified by a note from a medical professional or dentist.
- Religious holidays will be excused upon presentation of written verification from the student's parent/guardian. No student will be deprived of any award, eligibility, or opportunity to compete for any award, or the right to take an alternate test or examination the student missed by reason of such verified absence.

Truancy

When a student reaches five (5) unexcused absences during the school year he or she is considered truant. Truancy procedures can be found on the Lynchburg City Schools website at www.lcsedu.net/departments/student-services/attendance-truancy/truancy.

BUSES & CAR RIDERS

It is essential that we know how students are expected to travel to their homes at the end of the day. Whether your child is a car rider, walker, or bus rider, we need to have this information on file. In the event that it becomes necessary for your child to change his/her mode of transportation, the parent is required to notify the school in writing or by phone. We ask that we be notified of all transportation changes/dismissal procedures for your student no later than 2 p.m. each day.

Buses

Students are required to conduct themselves on school buses in a manner consistent with established standards for classroom behavior. The school principal may suspend or revoke the riding privileges of students and/or take other disciplinary actions for students who constitute or cause disciplinary problems on the bus. Parents (or guardians) of children whose behavior and misconduct on school buses violates the Student Code of Conduct or otherwise endangers the health, safety and welfare of other riders shall be notified that their child/children face the loss of school bus riding privileges and/or other disciplinary actions. If a student's riding privileges are suspended or revoked, the student's parents are responsible for seeing that the student gets to and from school safely. The bus driver and/or bus assistant is responsible for maintaining the orderly behavior of students on school buses and shall report misconduct to the student's principal and provide a copy of the report to the transportation office.

Bus information is available on Infinite Campus under More/Transportation. If you have trouble with the portal or have questions about your child's bus route, please contact Transportation at (434) 515-5100.

Car Riders

Staff members are on duty in the morning and afternoon to assist car riders. Car riders can begin arriving as soon as staff are on duty in the parking lot but not before 8 a.m. All car riders are to be dropped off and picked up in the school parking lot. Cars must enter the school parking lot and follow the line of traffic to the drop off and/or pick up point. Car riders are not allowed to use Perrymont Avenue for arrival

and/or dismissal. For the safety of our students and staff members, students are not allowed to cross the school parking lot or Perrymont Avenue in order to enter or exit their vehicles.

CONDUCT & DISCIPLINE

We are dedicated to ensuring a safe and secure learning environment for all of our students. Our rules for good citizenship are meant to preserve and protect each student's right to learn. We ask that our students practice good citizenship by:

1. Accepting and respecting the leadership of teachers, the administration, and other staff members.
2. Taking care of school property and equipment.
3. Using appropriate language and a respectful tone of voice.
4. Moving through the building quietly and respectfully.
5. Showing respect for the rights and property of other people.
6. Completing all assigned work on time.
7. Being attentive in class and becoming involved in all class activities.
8. Putting forth effective effort.

Each grade level will send a letter to parents explaining their class rules and procedures as well as appropriate rewards and consequences.

Please refer to the Lynchburg City School Board Policy [JFC - Student Conduct](#).

The Lynchburg City School Board establishes expectations for student conduct so that public education is conducted in an atmosphere free of disruption and threat to persons or property and supportive of individual rights.

In addition to the types of conduct prohibited below, the Superintendent issues Standards of Student Conduct and a list of possible actions for violations of those Standards.

This Policy and the Standards of Student Conduct apply to all Lynchburg City school students. They are enforced when the student's conduct occurs when the student is:

- On school property.
- Traveling to school or from school.
- Traveling to, at, and from bus stops.
- In School Board vehicles.
- In attendance at any school-sponsored activity.
- Off school property if the conduct disrupts and/or threatens the learning environment.

Be sure to read and share this information with your student.

Bullying

A student, either individually or as a part of a group, shall not bully others either in person or by the use of any communication technology including computer systems, telephones, pagers, or instant messaging systems. Prohibited conduct includes, but is not limited to, physical, verbal, or written intimidation, taunting, name-calling, and insults and any combination of prohibited activities.

"Bullying" means any aggressive and unwanted behavior that is intended to harm, intimidate, or humiliate the victim; involves a real or perceived power imbalance between the aggressor or aggressors and victim; and is repeated over time or causes severe emotional trauma. "Bullying" includes cyber bullying. "Bullying" does not include ordinary teasing, horseplay, argument or peer conflict.

The principal or their designee shall notify the school board disciplinary committee and the parent of any student involved in an alleged incident of bullying of the status of any investigation within 24 hours of the allegation of bullying. Such notifications shall be communicated to the school board disciplinary committee via the superintendent or designee by the next meeting of that committee.

Cell Phones/Personal Electronic Communication Devices

Students enrolled in elementary schools may have personal electronic communication devices in their possession. However, the devices must be turned off (not just silenced) and remain out of sight (e.g. in a bookbag or locker) throughout the regular school day.

Please refer to the Lynchburg City School Board Policy [JFCZ - Use of Personal Electronic Devices](#).

In-School Suspension (ISS)/Alternative Instructional Assignment (AIA)

Students who do not comply with division/school/classroom rules and procedures can be assigned by the administrative team to Alternative Instructional Assignment (AIA), also referred to as In-School Suspension (ISS). While in ISS, under the direction of the ISS supervisor, students are expected to complete their class assignments and demonstrate appropriate school/classroom behavior.

Suspension (Out-of-School)

Students who do not comply with division/school/classroom rules and procedures are subject to out-of-school suspensions. A pupil may be suspended for not more than ten (10) school days by either the school principal, any assistant principal, or, in their absence, the principal's designee. The principal, assistant principal, or principal's designee may suspend the pupil after giving the pupil oral or written notice of the charges against him and, if he denies them, an explanation of the facts as known to school personnel and an opportunity to present his version of what occurred. In the case of any pupil whose presence poses a continuing danger to persons or property, or whose presence is an ongoing threat of disruption, the pupil may be removed from school immediately and the notice, explanation of facts, and opportunity to present his version shall be given as soon as is practical thereafter. Please refer to the Lynchburg City School Board Policy [JGD/JGE - Student Suspension/Expulsion](#).

DRESS CODE

Students are expected to dress appropriately for a PreK-12 educational environment. Any clothing that interferes with or disrupts the educational environment is unacceptable. Clothing with language or images that are vulgar, discriminatory, or obscene, or clothing that promotes illegal or violent conduct, such as the unlawful use of weapons, drugs, alcohol, tobacco, or drug paraphernalia or clothing that contains threats such as gang symbols is prohibited.

Clothing should conform to standards of safety and be appropriate for the learning environment. Clothing that does not meet these standards includes the following:

- Loose fitting clothing that could cause safety hazards
- Flip-flops and other footwear that are tripping hazards or injury risks
- Clothing that exposes or highlights private areas or shows an excessive amount of bare skin
- Hats and other head coverings, unless for religious or health purposes

Additionally, disciplinary action will be taken against any student taking part in gang-related activities that are disruptive to the school environment, which include the display of any apparel, jewelry, accessory, tattoo, or manner of grooming that, by virtue of its color, arrangement, trademark, or any other attribute, denotes membership in a gang that advocates illegal or disruptive behavior.

Parent(s)/guardian(s) of students requiring accommodation for religious beliefs, disabilities, or other good causes should contact the principal.

Students not complying with this policy will be asked to cover the noncomplying clothing, change clothes or go home. Willful violation of the student dress and appearance regulation will subject the student to disciplinary action by the school's administrators. These progressive disciplinary actions may include phone calls to parents for the first violation, to various in-school actions, to suspension from school for continued willful violations.

Please refer to the Lynchburg City School Board Policy [JFCY - Dress and Appearance](#).

FIELD TRIPS

Field trips are a valuable part of our instructional program, offering unique learning experiences. To participate, all students must have written permission from a parent or guardian. Please note that trips may be canceled if overall funds are insufficient or at the discretion of the administrative team. Students are required to ride school-provided transportation, and private car transport is not permitted. All school rules apply on field trips, and students are expected to represent our school positively.

Parents or guardians interested in chaperoning a field trip should contact their child's teacher. All chaperones must complete an approved volunteer application and background check at least two weeks prior to the trip and agree to abide by all school rules. For the safety and focus of our students, siblings or other non-enrolled children are not permitted on field trips. Please note that scheduled arrival and departure times may change due to unforeseen circumstances.

FORMS OF COMMUNICATION

Building a strong partnership and frequent communication between home and school is critical to the success of your child. Please do not hesitate to reach out to your child's teacher with any questions or concerns. We are happy to schedule a conference at any mutually agreeable time throughout the year. Please understand that teachers have a responsibility to the entire class throughout the school day and will not be able to meet with you without prior arrangements.

Class Dojo

This is our primary means of communication. With this phone or computer app, you can message your child's teacher or school administrators privately. You will also receive messages from your child's teacher(s), our PTO, and school administration.

Infinite Campus

As part of our continued effort to provide parents and guardians with information about their student's progress, Lynchburg City Schools utilizes an online parent portal called Infinite Campus. Infinite Campus is a single source for parents to track student data including contact information, schedules, attendance, grades, and notifications. Please contact the school to get your activation key.

Monday Folders

Red plastic pocket folders are provided for all students in grades K-5. These folders are sent home on Monday afternoons. The folders contain student work, school notices, and information regarding student progress. Be sure to read/review the papers in the folders. Parents are asked to sign and return the folders on Tuesday of each week.

Monthly Newsletters

Monthly newsletters are sent out by the administrative team. These newsletters include updates to the school calendar and important reminders and notices for our students and their families.

School Messenger

We use an automated service to communicate with families via calls, texts and emails. These notifications are used to announce school events, changes to the school calendar, and school closings and delays due to inclement weather. We also will use this service in the event of a school-wide emergency. It is essential that we have a current phone number for all of our families. In the event that your phone number changes, please notify the office so that we can update our student records or go into the parent portal of Infinite Campus to update your contact information.

HOMework, GRADES & REPORT CARDS

The positive effects of homework include understanding and developing effective study and time management skills, along with a sense of independence and responsibility; and fostering the concept that learning can occur anywhere, not just in school. Homework also provides an avenue for parental involvement by affording parents an opportunity to see what their children are learning and to encourage their children in their studies. Teachers will assign homework in accordance with Lynchburg City School Board Policy [IKB - Homework](#).

Report cards will be sent home at the end of each nine-week grading period for students in grades K-5. Students, in grades 3-5, who meet the established criteria, will be named to the Honor Roll.

Follow the link provided to complete the form for volunteer status: (LCS School Volunteer Application) Meetings for Perrymont PTO are held monthly on the second Tuesday of the month at 6p.m. Meetings are held virtually and Zoom link information is sent via email to all parents/guardians that provide that information to the PTO officers.

SAFETY & DRILLS

Fire Drills

Each school holds a fire drill twice during the first 20 school days of each session. Each school holds at least two additional fire drills during the remainder of the school session. No fire drills are conducted during periods of mandatory testing required by the Board of Education.

The following procedures will be followed during a drill:

1. The signal for a fire drill is one continuous blast of the buzzer alarm system.

2. When the signal sounds, all students, staff members, and visitors are required to evacuate the building as quickly and quietly as possible using the nearest exit.
3. Students are to use the proper exits and remain with staff members in designated outside areas until the drill's conclusion.
4. While students are outside the building, there should be no talking or noise so that instructions may be given and heard in the event of an actual emergency.

Safety Drills

A procedure has been established to ensure student/staff safety in the event an unauthorized person enters the school or an unauthorized activity is occurring on the school grounds. This safety drill procedure is practiced during the year. During the school day, all entrances remain locked.

Each school has a lock-down drill at least twice during the first 20 school days of each school session. Each school holds at least two additional lock-down drills during the remainder of the school session. Lock-down plans and drills are in compliance with the Statewide Fire Prevention Code, Va. Code §27-94 et seq.

Severe Weather Drills

In the event of severe weather with strong winds, a plan has been developed to ensure everyone's safety. Staff and students are informed of the procedure each year.

In the event that Lynchburg City Schools cannot operate on a normal schedule due to weather related or other emergency conditions, parents, students, and community members will be given school-closing information through the following information sources:

- LCS Campus Messenger: a recorded telephone call and corresponding email will be sent to all parents/guardians based on contact preferences in Infinite Campus
- Online: LCS website and social media
- Television announcements
