

## **SMS Important Message: September 9**

**Good evening, Spartan Family! This is Matthew A. Mason, proud principal of Sandusky Middle School, and here is an Important Message for today, September 9. This message has been forwarded to our SMS family via email, and will also be available on our website under the Sunday Messages tab.**

- Parents and guardians, attached to this SMS Important Message email will be a link to a survey titled “[SMS Remote Learning: Parent/Guardian Perspective](#).” This survey will also be available on our SMS website starting tomorrow, September 10. At SMS we really would like to know how you as the parents and guardians of our students are working through remote learning and what are ways we can support you and continue to improve. We have also created a student version of this survey that will be available to students on tomorrow, September 10 through their homeroom Google Classrooms. If you could fill out this survey by Friday, September 11, it would be greatly appreciated.
- Students, the English and Math IXL Diagnostic assessments are due by this Friday, September 11. If you have not completed it, please do so. This information is vital so that we have a clear understanding of how to support you in the classroom this school year. Again, the English and Math IXL Diagnostic Assessment are due Friday, September 11. Thank you.

**Please check today's email, our Twitter account (@Spartans\_SMS), our Facebook page and our website for more important information on school events. Again, this is Matthew A. Mason, and SMS is pleased to serve our community!**
