

SMS Sunday Message: April 5

Good evening, Spartan Family! This is Matthew A. Mason, proud principal of Sandusky Middle School, and here are the announcements for the week of April 6 - 10. This message has been forwarded to our SMS family via email, and will also be available on our website under the Sunday Messages tab.

Hey, SMS Family! Please review all communications from Cindy Babb this last week.

- LCS will continue providing breakfast and lunch on Mondays, Wednesdays and Fridays at the same locations.
- Tomorrow, April 6, online materials for our next phase of Continuity of Learning will be available on the Lynchburg City Schools website. Teachers will be reaching out to families to check in and support in the best way that they can. Please be patient with the process. LCS staff have been working extremely hard to make this a reality, and we are excited about what students will be creating and accomplishing these upcoming weeks.
- In an effort to remain flexible and continue to connect with our families, LCS is conducting a survey to find out about students' access to the internet and devices. Please complete this short survey to help our division better understand your needs during this time. If you have questions or are unable to complete the survey, please contact Ethel Reeves with the LCS Family Connect Team at reevesee@lcsedu.net or (434) 401-6902 between 9 a.m. and 3 p.m. Monday through Friday. - Need Technical Assistance with an LCS-issued device? Please call

(434) 515-5091 or complete the [LCS Student Tech Assistance form](#).

Families, we are here for you. We look forward to seeing everyone in the near future.

Please check today's email, our Twitter account (@Spartans_SMS), and our website for more important information on school events. Again, this is Matthew A. Mason, and SMS is pleased to serve our community!
